

Advance Directives Educational Classes

Starting Wednesday, July 2, 2014

Lyons Campus, Building 4, Patient Education Resource Center (PERC)

1st & 3rd Wednesdays of Every Month

10-11 a.m.

Join us to learn more about VA Advance Directives, what they are, and how they can help protect your health care choices.

Some topics that will be covered in this class include:

What is the difference between a Living Will and Advance Directives for Health Care?

How do I know who to list as my health care agent?

How do I make sure my family and medical providers honor my wishes?

For more information, please contact Christine Betros, LCSW at 908-647-0180 x4940 or Sue Horn, LSW x6502.
